RMIT can arrange OSHC coverage for you through our official and preferred supplier, Medibank. Fees quoted on the offer letter are indicative and are subject to change on 01 May each year. Visas and Change of Provider (Release)

If you are intending on applying for a student visa or you already have a student visa, RMIT will provide you with an electronic confirmation of enrolment (eCOE) for each program that you accept. Students transferring to RMIT from another Australian education provider, prior to completing six months of your principal course, may be required to obtain a release from the current education provider before an RMIT eCoE can be issued.

If you change your residency or citizenship status once you enrol, your future package (if applicable) may be withdrawn, and you will be required to submit a new application as it relates to your updated residency or citizenship status.

Maintaining your Electronic Confirmation of Enrolment (eCOE)

Your eCOE duration assumes that you will make satisfactory academic progress within the program dates that you enrol. Any changes to your program completion date(s) due to unsatisfactory academic progress or any other reason may require you to extend your Australian student visa. More information about academic progress can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-exams/academic-progress/international-students>
